Joseph Meigs and on February 3rd a contract was made with Israel Richmond and Calvin Shaw to build the house for $1100. Jonathan Kinney agreed to lath on plaster for $100. Glazing was done by William Bennett at a cost of $14. per box of glass and 5¢ a pane for setting. Stone cost $2. for four loads and straightening nails was $45.

Originally built as a church, the building had a spire. For 92 years, the church had no mention of heat until 1928 when Leonard Hammond was hired to keep the key and make the fires for $2.75.

The tower that was destroyed last summer (in a great deal of heat) was a feature of the Barstow School which the structure became after 1870. It housed the great bell which summoned the town's children to their studies. Later and for many years it was the Mattapoisett Grange Hall until converted to an apartment house.

The fire which ruined the tower occurred

in a high wind which was blowing in from the north. This was fortunate because the tower is on the southern front of the building. Swift action by the Mattapoisett Fire Department notified by a Mattapoisett police cruiser and the decision by Fire Chief Donald Wood to use the high pressure water gun to knock the tower fire out fast is credited with saving the building. The tower and many old post beams that supported it were damaged beyond repair and much of the roof timber and sheathing had to be replaced.

Fisher and Rocha Inc.'s men worked through the winter to duplicate the tower for which the architects, Tallman, Drake and Guay, drew plans after researching the octagonal shape and domed roof. A plastic enclosure was built under the west eaves of the building and the tower was built on the ground to do it in the most efficient manner. On Thursday, May 10th, the 16,000 pound tower was lifted by crane to its place on the platform witnessed by as much of the population as could turn out. Under the new tower, massive steel beam supports had to be provided to replace the old post and beam supports ruined in the fire. The owners, Alan Boling, Morton Downing and Marc Goddu, give much credit to the insurance agency, Charles S. Ashley, representing C.N.A. insurance companies in their interest in reconstructing the cupola and outside appearance of the historic build-

Tax Exemption Sought

MATTAPOISETT SELECTMEN'S MEETING MAY 8, 1990-by VIRGINIA MORGAN

Mr. James Joaquin, President of the Mattapoisett Friends of the Elderly, sought Selectmen's support last Tuesday for a May 21 annual town meeting article to have the town adopt a local option state law to give persons over the age of 70, who own their own homes and have certain income guidelines, to receive a $500 real estate tax exemption.

Mr. Joaquin explained the town now recognizes and uses Clause 41 of Chapter 59 of the state law which has been mandated since 1986. He noted that some Mattapoisett homeowners over age 70 do not qualify for the income guidelines under clause 41 and are finding it difficult to meet their tax payments. "This adoption of clause 41C would help those persons that are borderline", said Mr. Joaquin.

This local option clause 41C has been adopted by New Bedford, Wareham, Rochester, Lakeville, Middleboro, Fairhaven, Freetown, Acushnet and Dartmouth. "There has to be something good about this for so many towns to have adopted the local option." He said eligibility is based on the person having lived in Massachusetts for the 10 preceding years and own and occupy the real estate for five years. The homeowner must be age 70 by July 1, 1990 and meet certain income guidelines.

For a single person clause 41C allows an

Selectman Daniel O. Mahoney said "we need to know the facts before we can support the article." He recommended Mr. Joaquin get together with the Board of Assessors to research: 1. How many elderly are now getting exemptions under clause 41; 2. How many do you anticipate would qualify under clause 41C?; 3. How much did the town receive in the last three years on the Cherry Sheet from the state on the abatement program?

Mr. Joaquin estimated nine persons applied for reimbursements last year under clause 41; there may be another five or six with clause 41C. He explained the abatements are based on a formula of the number of towns and funds available.

Assessor Harvey Blanchette said he is a strong advocate of the adoption of clause 41C. He agreed to assist Mr. Joaquin in researching the information for town meeting to answer voters' questions. Mr. Joaquin added that informational handouts will be given to voters at the town meeting.

Selectman Bernard F. Talty commented that anything we can do to help the elderly stay in their homes is a good idea. His comments were agreed to by Selectmen Chairman John DeCosta and Selectman Mahoney.

In other business, Selectmen:

WERE INFORMED by Police Chief James F. Moran that 28 officers participated in a firearms course instructed by Sgt. Philip Marcosa.

EXPRESSED CONCERN of the young people using the Town Hall steps after business hours for skateboarding. Selectmen noted there is a question of safety of the youngsters

It was also brought to the Board's attention that skateboarders are using the Depot Street town lot with heavy ramps hindering the parking of vehicles when the Legion Hall is being used. Chairman DeCosta also noted there have been incidents with skateboarders using the steps of St. Anthony's Church.

Selectmen urged parents of youngsters using skateboards to bring this matter to the youngsters' attention for safety reasons as well as potential damage to town and private property. The Police Department will be notified to have these areas checked.

is rescinding its request for a $700 transfer for van repairs and inspection because newly rehired town mechanic John Bowman will be performing this service.

MET WITH John Folino who is volunteering his services to the town by assisting the fire department in drawing plans for the addition to the fire station.

Mr. Folino said he has a friend who is an architect working on the design plans for the New Bedford Institution of Savings Bank being built next door to the fire station at the Cape Cod Cabinet Company site who will assist in making a design for the addition. Of the designs suggested by Mr. Folino, Selectman agreed the look of the building should be kept in balance and not look unattractive, even if the roof slant has to be changed.

NOTED the Highway Department will be removing seaweed from Aucoot Beach so that the beach can be enjoyed by residents.

Also, the Highway Department will mark and identify the handicapped parking space recently approved by the Board in front of the Mattapoisett Congregational Church.

REAPPOINTED Chairman DeCosta as the Selectmen's representative to the Plymouth County Advisory Board. Chairman DeCosta has served on this board for 13 years.

INTO FAMILY EYE CARE

What is the difference between sunglasses purchased in retail stores and sunglasses purchased from opticians?

The most important difference between the two is the standards which these glasses must meet. Sunglasses or eyeglasses purchased from an optician have to meet certain standards set by the state and federal government. Glasses purchased in a drug store do not have to meet these standards. Secondly, if a pair of sunglasses purchased at a drug store should break or be lost you would be out the whole pair. On the other hand an optician can provide you with replacement parts for a pair of sunglasses purchased at his office. This would save on replacement costs.

Mattapoisett Town Meeting

CONVENES MONDAY, MAY 21
45 ARTICLE WARRANT -- $7,649 MILLION OPERATING BUDGET

The Mattapoisett Annual Town Meeting will convene at 7:30 p.m. Monday, May 21st, at Old Rochester Regional High School Auditorium. The hall has been reserved for the 22nd, 23rd and Tuesday, May 29th, if these dates are needed to complete the 45 article warrant. A special election will be held June 5th to vote on the overrides passed at this town meeting, and on Tuesday, June 26th, a Special Town meeting will be held, if necessary.

Voters will be asked to consider funding three Enterprise Funds: Sanitary Landfill, Waterfront and Water Department (not the sewer operation). Funds held in these account will be transferred, if voted, to set up these separate accounts and will be deducted from the general revenue. Any monies spent by these departments - Board of Health, Waterfront and Water -- will have to be voted at a town meeting the same as it is at the present time. No monies will be spent without voter approval. All three Enterprise Fund setups are recommended by the Finance Committee and supported by the Board of Selectmen.

of Women's Clubs from 1971-1972; and the 100th anniversary of the founding of the General Federation of Women's Clubs.

The Proclamation signed by the Mattapoisett Board of Selectmen designated April 24, 1990 to April 24, 1991 to be the Federation's Centennial Year. Selectmen's Administrator Lois K. Ennis extended the greetings of Selectmen Chairman John N. DeCosta who was unable to attend, and read the Proclamation citing the Mattapoisett Club's activities since 1951 when it joined the General Federation; such as contributing to the betterment of our town and its residents through such achievements as beautification of public buildings and places with plants and flowers, regular visits to the local nursing home to help with its activities, raising and giving scholarships to the regional high school, encouragement of art and writing contests, and bicycle safety in the elementary schools besides educational programs for the town's citizens.

Administrator Ennis was introduced by newly elected club president Lee Yeaton who gave the background of the beginning of the General Federation of Women's Clubs. "Due to the foresightedness of sixteen women from eighteen states who gathered in New York City in 1889 at the invitation of 'Sorosis', a group which had also hosted a preliminary meeting the previous year, met for an organizational meeting. Ella Dietz Clymer, President of Sorosis, told these pioneer women, 'We look for unity, but unity in diversity. We hope that you will enrich us by your various experiences.' The following year, on April 24, 1890, the General Federation of Women's Clubs was formed, taking as its motto 'Unity in Diversity'."

The club president introduced the family of Eleanor and Marshall Ross: son, John Ross of San Jose, California; daughter, Patricia Stoycos and granddaughter, Sarah Stoycos, of Lancaster, Pennsylvania. Before and after the program John and Patricia were warmly greeted by friends they had not seen in many years.

Evelyn Jenks, immediate past president of the Mattapoisett Club, gave brief remarks about Eleanor Ross and how she came to Mattapoisett as the bride of Marshall Ross in 1937. "They raised two children, at the same time both becoming involved in civic and social activities in town. The couple moved to Lancaster, Pennsylvania in 1978 to be near their daughter and her family.

"In October 1941 the Mattapoisett Club was formed with meetings held in the all purpose room at Town Hall. Eleanor became the Mattapoisett club's third president from 1944 to 1946 and in 1971-1972 became president of the state federation, then served on the Board of Directors of the General Federation."

The Old Hammondtown School Band, directed by Stanley Ellis, played two selections, both composed by the director. The first was "The Old Hammondtown School March", and the second, "Brandt Island March".

The Benediction was given by Genevieve Waterhouse, Club Devotional Chairman.

The program was well attended despite the overcast weather conditions. Surprise guests were the Rev. and Mrs. Frederic E. Reynard of Ledyard, CT; he the former pastor of the Mattapoisett Congregational Church, both friends who hold fond memories

The program was prepared by Devotional Chairman Genevieve Waterhouse and Theresa Corey, a past president of the club. Although the dogwood tree is not in its flowering stage, color was added to the base of the tree with the planting of flowers by Police Officer Janet Kennedy. Police Officer Anthony Days captured the observance on a video camera for the club.

A Thank You

To the Mattapoisett Woman's Club, Old Hammondtown School Band, Mattapoisett Police Department, Town Officials and friends in the community:

Thank you for your combined effort to make the dedication of a tree on the grounds of the Police Station in memory of our mother, Eleanor B. Ross, such a meaningful event. It was wonderful to join with all of you to celebrate her life of community service.

We wish to tell you that we also planted a blue spruce on the same property in memory of our father, Marshall W. Ross. He too loved and served Mattapoisett for 43 years.

It is our hope that these trees will flourish and bring beauty and pleasure to the residents of Mattapoisett for years to come.

Sincerely,

Pat Ross Stoycos and John Marshall Ross

Mattapoisett Historical Society

Mattapoisett is fortunate to have one of the finest small museums in all of New England. The Museum and Carriage House at 5 Church Street is dedicated to preserving the history and culture of old Mattapoisett with a collection that goes all the way from grandmother's kitchen to the tools of the boat building era. Our membership drive is underway and ends with a special open house on June 3rd to which everyone, member or non-member, is invited.

In addition to the collections, the Museum maintains a library where information is available on how to restore old houses, pictures of the town as it was, histories of the historic houses and much resource material of value to the genealogist. Come to the open house and learn what is available to you in the Museum.

We hope you will want to help maintain the many activities of the Museum by becoming a member. The Museum has a series of programs during the winter months for which members are free. It has regular programs for the school children to teach them more about what makes Mattapoisett "special" and particularly to help them understand the history of the region by making it come alive through the artifacts preserved in the Museum. It is also a great place to take those summer visitors. The Museum is open 5 days a week during July and August and by appointment almost any time.

Join the Mattapoisett Historical Society. You and your family will be glad you did.

The clinic will consist of 12 hours of group instruction. Each group will be limited to twelve players to insure maximum instruction time.

According to present plans, beginners will be scheduled at either 8:00 or 9:00 o'clock depending on age. The following two time slots, 10:00 and 11:00, will be reserved for advanced beginners and low intermediates respectively. The final period, 12:00 to 1:00, will be for the intermediate players.

"We will try to maintain the greatest amount of scheduling flexibility to meet the needs of the students," explained Director Bob Hohne. "Hopefully, we'll be able to schedule according to age as well as ability and wherever possible according to summer plans."

The cost of the program will be $60. per player and is open to the public.

Everyone who saw the photograph must have been moved by it -- the young man standing alone and with empty hands to stop the tanks. Later it was reported that he had been executed.

In China, in Central Europe, even in Red Square, we see ordinary people willing to risk imprisonment and death for the right of self-government.

Two hundred years ago, ordinary people here risked their lives and fortunes for the same right, the right to have a say.

None of us need face down tanks or rifles, no one must brave sniper fire or risk a heavy knock on the door at 4 a.m. in order to participate in Town Meeting or to vote. In other places, men and women hazard their lives for the chance to exercise rights we neglect because it's inconvenient or we forget, or we aren't convinced that our one vote matters much.

LEST WE FORGET...MEMORIAL DAY

As Memorial Day approaches, let us pause to reaffirm our convictions that the veterans of our wars shall never be forgotten. On Memorial Day pause to honor, if only for a few moments, those brave men and women who shed their blood, and many gave their lives so that the rest of us can live in a free world. This is a day to give thanks to the veterans of all our wars. One way to show your outward emotions is to fly your

Katharyn Saltonstall Honored AS TOP HOSPICE FUNDRAISER

Long-time Marion resident Katharyn W. Saltonstall was saluted last week by Wareham Area Hospice as the organization's number one fund-raiser again last year. Rachel Penti of Carver, co-founder and present secretary of the board of Hospice, told 1990 campaign solicitors about Mrs. Saltonstall's efforts in raising funds to start Hospice in the area in 1982, and of her consistent leading position ever since. Hugh O'Brien, fund-raising chairman, presented Mrs. Saltonstall with a basket of spring flowers at a luncheon meeting at the Mattapoisett Inn.

Mr. O'Brien also announced that the 1990 campaign reached 48% of its goal in the first 2 weeks, with about one-third of the returns coming from new members. The

ORR Girls' Track Captains

Track Captains: Debbie Reardon, Holly Anderson, Mollie Munroe, Casey Gunschel, Edlyn Engle. DCJ Photo

The Old Rochester Regional Track Team has had a long history of success through its 21 year history. According to the only Head Coach ORR Girls' Track has ever had, much of that success can be attributed to the kind of leadership they have had from their captains. With 80 girls to watch over, the Captains have many responsibilities and duties. This year's Captains are typical of the kind of leadership any team would like to have.

These young women combine Honor Roll Academics with athletic talent. Each of them has competed in many invitational meets around the state and have attended the National Track Meet in New York.

Edlyn Engle has won many academic awards, been part of the Math Team, and is a National competitor in Track and Field. She was sixth at the National Meet last year

in the Long Jump and jumped 16 feet 5 inches. She had competed in the High Jump, has the area's best at 4'10", and runs the 440, 220, and is on a number of Relay Teams. Edlyn will attend Duke University and is the daughter of Jon and Verdery Engle of Marion.

Casey Gunschel is the pure distance runner of the group who will easily run the Mile and 2 Mile in most dual Track Meets. She is also an excellent High Jumper and had brought home many state medals. She will be competing in the 5K Road Race Competition at the National Track Meet. The longer the race, the happier Casey is. She has won Art Awards and will attend the Art Institute of Chicago. She is the daughter of Lee and Dale Gunschel of Marion.

Debbie Reardon is unquestionably the number one Javelin thrower around. She has the best throw this year at 115'6". Debbie has and will be competing in the National Track Meet in New York. She will be attending Fitchburg State College this fall and majoring in Psychology. Debbie also throws the Shot Put. She is the daughter of Robert and Diane Reardon of Marion.

Heather Harriman has been the all over Track girl for ORR. The coaches have used her in the 100, 220, 440, 880, Shot Put, Long Jump, and Relay Teams. Wherever we have put her she has contributed to the team.

Participants attended a classroom session where they learned many techniques including locating and marking the accident scene, witness interview, diagraming, underwater photography and underwater video of evidence, using lift devices to raise the aircraft and victims, styles and types of aircraft, use of underwater sonar, and other investigative steps.

After the classroom, participants were required to investigate an aircraft accident scene. They were required to document, locate, photograph/video evidence and diagram the scene where two Cessna aircraft fusilages were placed in 17-20 feet of water, along with aircraft debris and mannequins and mannequin parts to simulate victims. This exercise took place at Fort Wetherall State Park, Jamestown, RI.

On the second day the dive teams returned to the dive site. There they used lift equipment and trained in the raising of the aircraft and aircraft parts as well as

Globe Theatre, Rochester

Joe Orton's LOOT, a brilliant satire of British life in the 1960s, will soon pierce the Rochester night with laughter. LOOT, a production of the Globe Theatre Troupe's Young Directors' Series, is directed by Elizabeth Leland and features a strong cast coupled with a fast and funny script.

Loot is a product of the British cultural explosion of the mid 60s which came to dominate the worlds of fashion, theatre, and music by the time of Loot's London premier September 29, 1966. The Beatles, Twiggy and the shops on Saville Row were drawing attention to London and Joe Orton was the naughty young playwright of choice. Orton pokes at society, his ability to shock and create laughter and his sparkling dialog harkened back to Oscar Wilde. Unfortunately Orton's vast talent was lost as rapidly as it had been discovered. He was killed in the summer of 1967 by his lover.

The Globe Theatre Troupe's production of Loot appears to have just the right mix of ingredients to spell success for the Rochester based group. Miss Leland, the talented young actress making her directorial debut with Loot, has assembled a stellar cast and crew. Miss Leland is the first director in the Troupe's Young Director Series which will showcase productions in upcoming months by Karen McGowen, E. Edward Miller and Michael F. Hall.

Production dates for Loot are May 25, 27, 27 and June 1, 2, 3 at the Rochester Woman's Club, Route 105, Rochester. All performances begin at 8 p.m. and tickets are

Children are invited to bring along their favorite stuffed "Teddy" to share in the fun and enjoy songs and anecdotes by storyteller Bill Thomas from 12 to 1 p.m.

The event will welcome in a new story telling exhibit featuring Teddy Bears from the Dorothy Preston Collection. The adventures of Dorothy Bear and her friends will be told in a story created by writer Debbie Kovacs with illustrations by artist Carol Way Leeson, and exhibited in hand-carved Victorian cases crafted by Mark Wessinger.

The Preston Bear Collection was established by Mrs. Dorothy Allen Preston, a well-known resident of Boston's Ritz-Carlton Hotel. She began collecting bears in 1980 and continued until her death in 1987. The bears range from one inch to 34 inches tall and each one was chosen by Mrs. Preston "for its attractive face".

The Preston Bear Collection was gifted to the Children's Museum by the Allen and Preston families, and "Teddy Bears & Telling Tales" is provided through their generosity.

See Museum hours and charges on Page 52, or for more information call 993-3361.

Antique Art to Benefit Zeiterion

Fine art and a good cause come together when Mattapoisett's Rogers Gallery and Framery holds an antique art show and sale to benefit the Zeiterion Theatre June 1 through 16. An opening night reception will be held Friday, June 1st, from 6 to 8 p.m. at Rogers Gallery.

Gallery owners Ben and Louise Rogers say they hope to turn the event into a yearly tradition of helping a non-profit organization in the Greater New Bedford area.

"It seemed like a timely thing to do", Mrs. Rogers said. "With reduced state funding to many non-profit organizations, they need to rely more on fundraising. Now that we've planned two of these benefits, we felt the time was right to turn it into a yearly event, with proceeds going to a different non-profit group each year."

Last year Rogers Gallery held a benefit art show for Wareham's Tobey Hospital.

Antique art for sale includes engravings and etchings from as early as 1646. Subjects include botanical prints, as well as birds, shells, boats and architectural renderings.

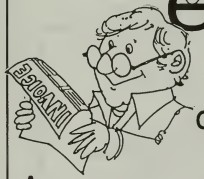
eye talk



Q. **Why are contact lenses more expensive than glasses?**

A. The cost of contact lenses is deceiving because we usually think of it in one lump sum.

Actually, the cost of lens materials is no greater for contacts than for glasses.

The additional cost of contacts goes for the many extra services you need. The optometrist, for example, spends more time and uses more skill to properly prescribe, analyze, design, verify and modify the fit of contact lenses.

There is also the cost of the individualized instructions you need to learn how to put on, take off and care for your contacts.

In addition, the initial cost of contact lenses should cover follow-up office visits during the adaptation period. These are essential for your safe and successful wearing of contacts.

Rogers Gallery has collected the art from many countries, including France, England, and Italy. A portion of all sales will go to the Zeiterion Theatre's 1990 Friends Campaign.

As of April 25, the ongoing fund drive has raised $71,000, 41 percent of its $150,000 goal, said Brenda Phillipps, the Zeiterion's director of development. A successful Friends Campaign is needed this year since the theatre lost $60,000 in aid from the city. In addition, the need to reach the $150,000 goal was further driven home by the recent announcement that the city's hotel and motel tax, in part earmarked for the Zeiterion, has yet to be collected.

The art exhibit at Rogers Gallery opens June 1 with an evening reception from 6 to 8 p.m. Spirits of Marion has donated the wine for the opening reception, and the public is invited to attend.

Rogers Gallery is located at the River Shops, 81½ Fairhaven Road (Route 6) in Mattapoisett, and is open Monday through Saturday 9:30 a.m. to 5 p.m. For further information on the antique art show call Rogers Gallery at 758-3641.

STUDENT COUNCIL ATTENDS CONVENTION

Recently ten members of the Old Colony Regional Vocational-Technical High School Student Council attended the Spring Convention held at Randolph High School. In attendance were: Torrie Wrightington, Tara Medeiros, Lorrie Medeiros, Dennis Tripp, Keith Jodoin, Wilfred Bonville, Jason Casmira, Dee Weston, Beverly Connor, and Greg L'Abbe. This convention proved to be an energetic, spirited, learning experience for all southeastern Massachusetts Association of Student Council members. They participated in valuable workshops which included such topics as Myths of Leadership, Community Services and Peer Education. One of the most important events of the day was the nomination speeches for next year's SEMAC Executive Board. Greg L'Abbe, a junior at Old Colony ran for the position of delegate but was unsuccessful in his bid. The theme for the convention was "Spring Into the Spirit of the 90s".

TO ATTEND BOYS STATE

Justin Gallagher, a junior at Old Colony Regional Vocational-Technical High School, has been selected to participate in the Boys State Convention June 16-22 at Bentley College in Waltham, MA.

To be eligible for Boys State, a student must be a member of the junior class who has ben successful academically. Delegates must also show evidence of leadership ability and an interest in the democratic process. At the convention delegates will establish and operate state government in miniature. This will include forming two political parties, holding conventions, nominating candidates, conducting campaigns and electing officials. The primary goal of Boys State is a better understanding of how State Government functions.

Justin has been an active participant in the VICA program at Old Colony. During the Skill Olympics this year, he received silver medals in drafting and extemporaneous speech. He was also a finalist in speech at the State Olympics. At school, Justin has been active on the school newspaper staff and is a representative to the junior class. He is also a member of the Old Colony Chapter of the National Honor Society. He works part-time as a draftsman for Weber Associates.

ceived a $500.00 bond and was recognized at the banquet held at the Elks' Lodge in Wareham.

The Elks Lodge in Wareham designed the program and 5 area high schools participated. They were Bourne High School, Old Colony Regional Vocational-Technical High School, Old Rochester Regional High School, Upper Cape Regional Vocational-Technical High School, and Wareham High School. Each school selected a "Student of the Month" from September to May based on criteria designed by each school. Each one of their students received a $50.00 bond and were also recognized at the banquet held on May 1st. From these nine students each school selected a "Student of the Year".

Tara Medeiros, Old Colony's "Student of the Year", is currently President of the Student Council, Vice-President of the National Honor Society, Vice-Chairperson of the Student Advisory Council to the school committee, and student representative to the Data Processing Advisory Board. In addition, Tara is also a member of the varsity softball and basketball teams and a varsity cheerleader. Tara plans to attend Thomas College in Maine in the fall.

Tara is a resident of Rochester.

Other Old Colony recipients of the "Student of the Month" award were: September, Keith Jodoin of Acushnet; October, Tara Medeiros of Rochester; November, Susan
